“ Cindy was first my colleague, and then my friend, for many wonderful years. When her health permitted, we enjoyed eating lunch out followed by an afternoon of shopping. Cindy was bright, funny, and compassionate. I will never forget the wonderful times we had together. She left us far too soon.

“ Cindy was always a kind and compassionate person. She was one of the best sister in laws I could have ever asked for. Even when that status changed she still made me feel welcomed. The world lost a special person too soon. God bless you.

“ I am so sad to hear the news that Cindy passed away and I share my most heart felt sympathy to Dianne, David, James and her daughter Lindsey. It seems only yesterday that we were young children on the farm in Virginia having the times of our lives with no care in the world and no burdens of life weighing us down. Cindy was such a light to all of us and she will always have a special place in my heart as will her mother and my cousins - David and James. I share your grief but I rest in the knowledge that she is with her Lord and Savior, Jesus Christ. I was so blessed to be able to speak with Cindy and we were able to share our faith in our Heavenly father. I know Cindy has her new heart and she is in the presence of the Lord, safe, secure and waiting for us to join her and the rest of our loved ones. There is no death for those who believe in Jesus Christ and we will all be rejoined in the most perfect love with those that have gone before us. We are saddened that she has departed from us at this time, but we should rejoice that she waits for us in Heaven.

My love to the family,

“ There are far too many wonderful memories to share in this small space. Cindy was a giver of Love and Light to her children, her family, her friends, her co-workers and even to strangers. There is a great big hole in my heart right now but precious memories will fill that space and keep her with us. Not everyone knew that Cindy had a great sense of humor and I'm so happy to see that will be carried on through Justin and Lindsey. Rest in peace our sweet princess.
