We are so sorry to hear about Eddie. He was a dear man who treated everyone like family. He always took time to speak to us no matter where we were. He made us always feel so welcome. “ Grace, Shirley and James,

I'm so sorry to hear about Eddie. He was a sweet, kind and unassuming man. I enjoyed playing cards with him and the family. Always the gentleman, when I left he walked me to the door, ensured the porch light was on, watched me get in the car and waved as I pulled out of the driveway. He will be missed by both family and friends. We can rest assured he isn't suffering any longer. My thoughts, prayers and love go out to the family.

“ My sincere condolences to the Bernoski and Ryczak families on the passing of Eddie. He was a gentle man with wonderful skills as a golfer. I will always remember his and Grace's attendance at my late parents 50th wedding anniversary. It was a happy time, indeed. May you rest in peace, Eddie, and share today with your parents the many blessings in heaven.

“ Aunt Grace, Shirley and James - I am saddened by his passing. Uncle Eddie was quiet and somewhat shy man. He was always very kind towards me. I have fond memories of him.

May he rest in peace and in the arms of Jesus. Sonia

“ Aunt Grace, Shirley, James -- it was with great sadness that I learned that my uncle and godfather has passed. I pray for your comfort and solace. I have many good memories of Uncle Eddie, a quiet and gentle man: shared Christmas Days; summer picnics at Grandma's and Papa's; caddying for him a few times at the West Point Country Club; summer neighborhood picnics at our house on Magnolia Drive; his helping Dad build our home in 1955; hikes in the woods to find Crow's feet (running cedar) for Christmas decorations; help with my 4H tree identification; help with my

Boy Scout Forestry merit badge; riding with him, Papa and my Dad to Richmond to enjoy minor league baseball games of the Richmond Virginians; watching him practice his golf shots behind your home, driving that ball into a felt from the paper mill draped over a swing set; his large model airplane he built in his youth that was kept in Grandma's and Papa's attic; and his help around the parish. His physical sufferings are over, and his soul is now resting in the loving, gentle hands of our God. Love, sympathy, and prayers,
Nephew and cousin Robert
