

Edward Burns Wood

August 30, 1944 - April 16, 2020

Edward Burns Wood, 75, of Providence Forge, born August 30, 1944, passed away April 16, 2020. He was preceded in death by his parents, Oliver B. Wood and Mabel S. Wood and brother-in-law, Alfred "Bubba" Holloway. He is survived by his wife of 48 years, Jane Goodwyn Wood; three children, Katherine White (David), Carrie Evelyn (Thomas), and Tony Wood; seven grandchildren, Clayton Evelyn, Jacob Wood, Trevor Evelyn, Parker Wood, Lexie Slosjarik, Josie Slosjarik, and Blake Wood; and his sister, Donna Holloway; brothers-in-law and sisters-in-law, Bobby and Terry Goodwyn, and Wesley and Cheryl Goodwyn; as well as many nieces and nephews; and friend and long-time employee Bobby Ball. Eddie at one point was a professional motorcycle racer, a barber, and was a lifetime member of the Richmond Motorcycle Club. He was owner of Wood's Body Shop from 1974 until his retirement in 2011. He had many hobbies, and in his youth rode a unicycle in parades and loved to dance. He enjoyed restoring automobiles and finding items at auctions and yard sales. He also loved to play practical jokes on his friends. He loved his family dearly and would do anything for them. There will be a private burial and a memorial service will be planned for a later date. In lieu of flowers donations can be made to New Kent Fire-Rescue or New Kent Sheriff's Office.

“ Jane, Kathy, Carrie, and Tony, I am so sorry for your loss. I have wonderful memories of Mr. Wood from my childhood. He was always open and welcoming to the kids hanging at the house or near the shop, riding on golf carts, or checking out the record shop! As a new driver, putting dents in my car, he was always there to help out and steer me in the right direction. He was an all around great guy. My thoughts are with you and all of your family. Love to all.

“ I feel blessed to have known Mr. Wood in the community and what a man. I also had the pleasure of waiting on him through the years at C&F Bank and he always played a little (or big) trick on you somehow. He will certainly be missed in our community but what a blessing to have had him while we did. My thoughts and prayers are with all of the family. What a blessing to have had him in your family.

“ To Jane, Kathy, Carrie, Tony, Bobby and all the family, it certainly goes without saying our community won't be the same without Eddie. A man who was lots of fun to be around and who said what he meant and meant what he said. Many of us could talk and laugh for hours recalling all of his jokes and pranks he played on his friends. From painting Randy Adams' patrol car wheels purple on the passenger side to putting a catfish on the intake manifold on my Dad's suburban, Eddie was a character like no other. He never ran for office or sought the public eye, but he was extremely charitable in the community and always interested in what was best for New Kent. May God grant all of you peace and comfort knowing that if there are motorcycles and hot rods in heaven, he is already riding again!

“ To Jane, Kathy, Carrie, Tony and all your families. Eddie was a good guy and fun to be around. He and Bookie could not be still and always had to play jokes or pranks on someone when they were together. Enjoyed having him and your family with us during all our families growing up years. He was a big part of the New Kent community. My thoughts and prayers are with you all at this sad time.

“ I have had the pleasure of calling Eddie a friend since the early 70s. He was one that did much to support our community but didn't seek public acknowledgement of that support. Eddie was a good man, a good husband/father/grandfather/family man who loved his family and friends. To the Wood family we stand with you, we are here to support you, we love you and we will miss Eddie. RIP my friend. We will shake hands once again on the other side.

“ I met Eddie through my granddad, Jim Taylor, and I immediately loved the guy. He had a contagious laugh, a fun spirit, and was full of stories. I remember him taking my brothers and I for a tour of his garage. It was incredible the stories he unleashed as he pointed out items in his collection. I know he will be missed by many. My hearts and prayers go out to his family and friends.

“ Such a shock to hear of Eddie's passing. He fixed a Camaro for me that I had run through a fence and rolled down a bank in the very early'80s. I immediately decided to sell the car and a girl from Richmond answered the ad and said she was coming with her body man and a mechanic. Under the lights in the old Stephens Farm Equipment shop they went over that Camaro from stem to stern. They assured her that car had never been hurt ! Thanks Eddie and God speed. I will still wave at your flame job wagon every time I see it.

“ My utmost condolences to the entire family of Eddie and Janie. I know I speak for all of his motorcycle buddies and friends, and untold others that knew and deeply appreciated him. We first met one race day at the Richmond MC Club scrambles track at Elmont. He was riding a Harley Sprint and I helped him get it running. This was in 1969 and our friendship has endured until the day he left this earth.

As so many others have noted, Eddie was a fun loving, but deeply devoted, family man. I have watched with much satisfaction as his children were born, grew and started their own families. He will live on in his progeny and the spirit he engendered in them so well.

RIP my good friend, and I hope one day to see you again.
