“ I am sorry for you're loss of Herman.
He was a great man. I worked with him back in the 70s when he worked for Wackenhut at the UVB bank.

“ Herman was definitely a gentle giant. He had the best sense of humor even when he wasn't trying. I will miss the pow wows and yard sales we would go to and will always think of him whenever I go to one. He's probably watching a movie right now. I think he saw every movie as soon as it came out. We used to walk up and down in the Fan area and Byrd Park. He loved his mom, he loved James and he loved you Patricia... very much. Thank you so much for letting me know. Please know that he is always with you. Don't be afraid to notice and feel the little messages. My father let me know he was still there and it helped me with the loss. Take care of yourself.
