“ My Aunt Ruby was a beautiful person. I am so sad that she has had to experience this terrible disease. I am so thankful that she had family there for her. She definitely will be missed.

“ Ruby my beloved Aunt, I will miss your always peaceful and comforting presence. I have so many memories of you especially as a child. We not only lived with you but later you lived with us. You always babysat me. You also gave me a good spanking when I took off my shirt like the boys to play football. Lol. You made this best cookies and cakes, you made all my birthday cakes. Last time we actually spent time together you went to a dear friends funeral with me. Rest in peace, always my angel. Condolences to all who loved her.

“ Ruby was one of the sweetest kindest people I knew. It was my honor to work with her at Colonial Williamsburg Pastry Shop. She will be in my memory forever. My thoughts and prayers for her family.
