“ She was a wonderful person, wife, mother , friend and above LADY (one of the last of her kind). She was super smart, beautiful inside and out and fun. She was a great fisherman in her own right. We truly loved this lady and shared so many memories with her and her family. She will be missed by all that knew her.

“ I am so sorry for the passing of your mother. I knew Mrs. Harrell all my life with living next door to Old Dominion Grain. I will always remember her by her kindness shown to me and my family. My father and I always enjoyed our fishing days with her and her husband. She was a delightful lady and always had a beautiful smile!! Your loving mother will always be with You.

“ I am so sorry to hear of Adalia’s passing. I first met her when I went to work at Old Dominion Grain & Fertilizer in 1972. She was such a kind, loving, and caring lady.

In later years, I enjoyed seeing her in the stores, or just around town. I was pleased that she remembered me. She always had a kind word and smile. She will be missed.
