Since I first was introduced to Garnett as a young boy out running errands with Dad, I always enjoyed talking to Garnett and listening to his stories. My Condolences to Mrs. Copeland and Family. Garnet will be missed, I always thought of him doing the summer with those delicious Crabs and watching him cook the crabs and his unique way of sorting them. God Bless the Family in a special way. Rest in Peace

“Garnett and I go way back to the 80’s. We have been friends for a long time. You couldn’t find another human being that made you laugh like he did. He nicknamed me Malachi from a movie way back, *Children of the Corn*, because of an inside joke. He called me that every time we saw each other. I am so thankful we got this last photo taken three years ago on my birthday party at Indian Fields Tavern. I will never forget you and all you helped me through! This world was a better place with you in it. Thinking of his family and friends. Love ya always!!
