“ Family, sorry to hear of your loss. Your mother was always smiling and friendly. We're always losing special people and Miss A lease was one. I enjoyed being in her company. Keep loving each other and always praise God for he makes all our rough roads smooth.

“ This lady with a joyful silent smile will always live in y heart. As a child, she opened her home as Crystal and I played and had fun. Our families had many connections and she was so kind. I had the opportunity to tell her that thought. She is at peace. Remain strong and know that God loves us.

“ To my cousins - Weeping may endure for a night, but joy truly does come in the morning.

Can you just imagine the smiles on the faces of Alease and Robert as they were reunited in their heavenly home! May the memories of your Mom, her wonderful spirit and love for her family bring you peace during this period of mourning, and for always!

My visits with Alease and my Aunt Net (Robert's 1st cousin from Claremont) always were filled with laughter and memories of the "times that use to be". . . and how proud she was of her children, grands and great grands!

Love you all,

*To The Family
A light from your family is gone
A voice you loved is stilled
A place is vacant in the home
Which never can be filled.
You have an Angel in Heaven-- you call her Mom. Honor her for all that her hands has done. No words can take away the sorrow that you bare. May it be comforting to know that I care. Your mom's arms open wide, smile on her face, come on in chat for while. I enjoyed every minute with her we laughed and we cried together, I never forget our talks, she made my day i made her...lol (Nayese) you was passionate, understanding and full of love.
Miss you, love Cookie*
