“ Ruth, Greek, and the whole Fostek clan ~~~ I am thinking, praying, and just wanted that all of you knew how much I care about your whole family as working with Greek allowed me to get to know all of you guys ... I remember coming over ya'll's home and see them boys as they were both growing up to become the men they turned out be be. Bubba and Tony THE TIGER were always getting into something another while I was there and this was great watching them ! The girls also were there and they were precious too ... I shall always hold a vacant space in my heart for Bubba and remembering him will be a treasure to hold on to ! May Gods' ~~~ Love, Peace, and healing powers shower each of YOU during the Healing process of such a great loss !

“ *Bubba was a kind fellow and friend to many. Everyone in our family loved him. He will be so missed. He spent many holidays and family events with us and we will all miss him. I loved Bubba as another brother and I send my deepest condolences to his family. The little ones in our family called him "bubbles" because they thought that was his name. They too will miss bubbles.*
