“ *Al was one of the first neighbors we met upon moving to New Kent.
We loved seeing him and sharing stories. He and Suzanne
presented us with a framed picture of our front gate which will
continue to hang on our wall in his memory. His smile and laughter
will forever be missed.*

“ *Al was a wonderful man always smiling and helping in any way he
could. I knew Al in the later years when he lived down the street in
Williamsburg. He would always stop to chat when he passed by. I
called him "Big AL" and he would smile and spend a little time
catching up with life. "Big Al" will be missed.*
