“ Lord our Father this family has loved so strongly but lost so greatly, keep them close to you as we all send our prayers to them in person and in spirit.

Prayer for strength

Lord, at the moment nothing seems to be able to help the loss I feel.

My heart is broken and my spirit mourns.

All I know is that Your grace is sufficient.

This day, this hour

Moment by moment

I choose to lean on You,

For when I am at my weakest Your strength is strongest.

I pour out my grief to You

And praise You that on one glorious day

When all suffering is extinguished and love has conquered

We shall walk together again.

“ Thank you for all the laughs and for being the BEST friend a person could ask for. I know you're in Heaven, holding your baby girl..and probably still laughing at me. And I'm sure if I listen really close, I'll hear you and the laughter will never end.

All my love and prayers to the family during this extremely difficult time ❤️

“ Our hearts are so saddened and hurt for the loss of Allan. We haven't seen Allan for years but the memories he gave us still seem like yesterday. He could make us laugh in the spur of a moment and always brought a smile to our face.....so many good times. We will never forget you Allan Carlton! I know you are up in heaven giving joy to others as you did all of us. I know you are hugging your little girl tight. Shannon, Derry, Bob, Draper, Abbi and all of Allan's family, please know how sorry we are for your loss. You are in our thoughts and prayers. We thank you all for sharing Allan with us.... We will always cherish our times with him!

“ *Haven't been able to gather the words to express my sorrow and heartache I feel for Derry, Bob and the rest of the family. Grew up thinking we were cousins and we all fought then laughed it off 5 minutes later just like cousins. Wish we could all go back to those days when we didn't have a care in the world. Rest easy with your baby girl <3*

“ *Allan was one of my heroes on the wrestling team. He was a bit of a rebel that partied hard and fought harder. My favorite memories of Allan come from wrestling practices and trips to tournaments singing Dynamite Hack and Rehab at the top of our lungs. My heart aches so much for his family. May you all take comfort and know that he's with God and his baby girl.*

“ I am so sad to hear about Allan's passing. I was hoping to see him again after so many years. I can't imagine the awful pain Derry and Bob and Draper are going through, not to mention the rest of the Carlton clan. You are all in my heart and prayers.

“ We only met twice and it was pleasant, I can to your house to purchase your child's old four Wheeler. It was a wet n semi snowy day n my daughter was admiring your chickens n turkeys. We spent two hrs talking n I learned that u (Allan) was my classmate(Draper) brother. Such a small world but God needed you more than we did here on earth. May you serve him well as one of his Angels. Watch n be with Shannon n your kids give her n your family the strength to heal n to understand that it might not be fair but u was needed else where. Rest in Heavenly Peace.
With Deepest condolences ,

“ Allan, we only knew each other for a few short years but it felt like a life time. You always made people smile and laugh and were such a good person, I have so many memories I will cherish forever. My favorite one is the day you and Shannon came into work with Bryson and Kara after your accident and the kids were running around playing and Kara was throwing all the recycle paper over the office. The love and happiness I saw that day was priceless. I will forever hold that memory in my heart. I can't even tell you the impact you made on so many people's lives, but I can tell you the one you made on mine is one I will forever be grateful for. Allan you will be missed more than words could ever say but never forgotten. My thoughts and prayers go out to Shannon and the boys and your entire family.

“ *Alley Cat... I remember when I nicknamed you alley cat and the first time you called me Roddy... I remember when you were really small and I baby sat you and Draper often and all you guys did was fight. You two were two of the most beautiful boys who grew up to be beautiful men... Even though you and I did not see eye to eye on a couple of issues I have never stopped loving you... You Draper and Daylon always had a special place in my heart...our hearts are broken over your passing, but you were never the same after Kara's passing... A big part of you died when she left us. You said you wanted to be with her and apparently God agreed. We've all been through so much in the last two years, but knowing you are with Kara gives us some comfort... Allan you had a good heart and had numerous friends...everyone loved you especially your family and closest friends. God was ready for you... Make him proud...I will miss and love you until the day I die and the hole in my heart will not be filled until we meet again... Love you all the way to heaven... Love aunt Roddy*

“ *Most of my memories of Allan are from our younger Highschool days... once, a few of us (including Allan and Seth T), left school and went to a friend's house nearby... I wouldn't have called it a farm house but there were a few cows, goats, and an emu on the property. If you dont already know... an emu is a large bird that resembles an ostrich. Allan and Seth got the bright idea of getting inside the fence with this emu and chased him all the way into the woods... they were gone for a few minutes when suddenly we hear something... here come Allan and Seth, with the emu chasing them this time, and Allan was screaming like a girl the whole way. We laughed until we cried!!!*

Its been years, and years, and years since I had heard from or seen Allan... but the Allan I will always remember was full of life and always ready to have a good time. He could always find a way to make you laugh. He was loved by everyone. May he rest in peace! My deepest sympathies are with Shannon and their children as well as Derry, Bob, Draper and his family. I cannot imagine the sorrow you must feel and hope you will all find peace in knowing that he is in a peaceful place. May God be with you all.
