“ I am so scarred as I am just hearing of the news of Alta tonight. I met her in the 90s when my family moved to Weat Point. She was such a sweetheart and we kept in contact even after we moved. She introduced me to such wonderful people in her family. I can only pray that God will preserve her best memories in us all and we continue to spread love and cheer as she would want. May her family find peace with time.

“ Delilah, Ash, Chico, Snook, Afton, Mick and all of the other family members and friends of this beautiful child. Yes, I know she was a grown woman but I remember visiting soon after those beautiful twins came home from the hospital. I have tried to think of the right thing to say but know nothing will make it better. Just know, you have friends who care and are praying for you to find some peace and comfort in the memories you have of Alta.

“ To have known her was to know of her strong and loving family bond, her bright and beautiful smile and her outgoing personality. Words cannot explain the pain that I feel for her family and for all of us whose lives she touched. Alta will be remembered for all that she did during her short time here on Earth. But I am at peace when I think of the fact that she is now in a better place without pain and suffering. Loved by many and missed by all, Rest In Peace Alta Danielle Bell.....

“ Chico, Kerri & Family,
So very sorry for your loss. Words just don't seem to comfort such a loss, but know that at least she is at peace.
