“ My heart and prayers go out to Snag's entire family. I've known Snag and Doug most of my life,as well as Cindy and Debbie from school. I can remember Snag racing his Mustang (of course) at Saluda Raceway. He was drifting before drifting was a popular thing! He would always fuss at me for driving my Mustang Way too fast down Forge Road. Then he would just give me a giggle and tell me to keep it out of the ditches. He was always there to lend a helping hand or tool when I needed it for my Mustang. He was a kind man and I know he will be missed. My sympathy to you all.

“ So sorry to hear of your loss. Have known him most of my life and He was a great guy would help anyone at any time. Always remember the stories of him learning the back roads in case the law was after him for speeding. Again so sorry for your loss!

“ *I have always loved seeing him working in the shop! He was the reason I went to nascar tech. I love his Red mustang convertible and always helped him take care of it!* ”
