“ As I type this, I still can't believe that you're gone. We're sitting in the living room just wishing you were at the shop and would be heading home soon. I'm going to miss hearing you pull in Tedie drive way jamming, loud music.. then bust in the house loud as ever saying “I don't smell nothing cooking round here” or fussing me out for moving so far away from the family. It was always the “stop it, stop it” for me lol .. I love you so much Unc and I'm going to miss you. Tell my grandma and Daddy Harold I said I love them.

Til we meet again ❤️
