“ *When I think of Uncle Andy, I think of bear hugs. No one could give bigger or better hugs than Uncle Andy. He was always a constant presence in our lives. When I was growing up, family was not just mother, father, and siblings. Family was grandparents, aunts, uncles, and cousins too. That's still true today. Uncle Andy, you were loved and you will be missed.*

“ *Uncle Andy was always smiling when he saw his nieces and nephews. He welcomed us with open arms and a big bear hug. He loved not only his children but also his stepchildren Willie Taylor who proceeded him in death and Linda Wilkerson. He welcomed them into his home as babes. He loved and raised them as his own. He was truly a special man in more ways than one. You will be missed. i love you with all my heart.*
