

Angela Elaine Sink Kelley

December 26, 1965 - September 26, 2020

Angela “Angie” Sink Kelley, 54, made her ascent into heaven on September 26, 2020 to be with Jesus and reunite with her beloved husband, Vernon “Anthony” Kelley, who preceded her in death. She is survived by a daughter, Ashley Maloney (Matt); son, Blake Kelley (Logan); her mother, Donna Sink; her father, David Sink (Vicky); three brothers, Chris Sink (Debbie), Kevin Sink (Betsy), and Shawn Robertson; three grandbabies, Hazel and Lilyan Maloney, Kinley Kelley; nieces and nephews, Kristi, Brittany, Travis, Gavin, Kaiden, Aurora, Dylan, Lakyn, and Jacob; aunt, Donna Hopkins (Bee); and a cousin, Carie Hopkins.

A celebration of life service will be held 1 PM, Sunday, October 4, 2020 at Vincent Funeral Home with reception to follow at Providence Forge Community Center. Due to Covid-19, please observe all necessary precautions.

“ I am just learning of Angela's death. My heart is broken. I loved Angela so much. She was the best property manager and made living at the Pines@Coldharbor better for everyone. She was so missed after she left. She was giving, thoughtful, fun and snazzy dresser. She put her whole heart into doing her job at the Pines. Rest well Angie. Heaven has gained a new angel.

“ I was lucky enough to get to know Angie for the past couple years. I really enjoyed hanging out with her because she was so outgoing and funny. She sure loved her family and always was talking about them and posting on Facebook. She was a such a special person and you couldn't help but to love her and look forward to her company. I cherish the concert, casino, nags-head, and just hanging out moments I got with her. Her personality was one of the best parts about her because she made sure her opinion was known, and you heard what she was saying. Angie and I used to text and chat sometimes while I was out of town Working and it was really nice to have someone to do that with. She was a really good friend and a great person and will be truely missed by all.

“ I saw Angela when she would bring Rascal to be groomed. Her personality was so bubbley we would talk a lot when she came to pick him up. We laughed a lot. I think of her often and send my deepest sympathy to the entire family. Hugs to you all

“ First I like to say my prayers to the family for such a great loss !!! I met Angie in 1996 when we both were pregnant with our boys :) she was so loving and kind to me .. we stayed friends thru out the years .. we shared a lot of great memories together... some mostly spent at play grounds and Chick-fil-A play ground with Blake and my son Johnny .. we had conversations that lasted for hours .. the boys were best friends as we were too ... over the years our jobs and family life kept us from seeing each other like we wanted too .. but we kept in touch thru milestones of our life .. she reached out to me the day she found out about her cancer ... I prayed and worried about her ...she loved her family so much ,, some of my best days were with her and her family.. cancer took her took young but it has no age but what it didn't take is the memories of who she was and now she's rejoicing with Jesus ... go rest high on the mountains my beloved friend... I will see u again

“ Bubby and I would like to express our sadness and prayers for the entire family over Angie's passing. Angie and Anthony introduced me and Bubby and Angie was our witness at our wedding ceremony. I remember lots of fun times with them both. The last time we saw Angie was at Lakeside and she was her same ole happy, chatty self! She could always make you smile and laugh when she was around. One thing Bubby and I knew was that Angie and Anthony both adored Ashley and Blake, and I pray they and everyone in the family will embrace all the good times and great memories of the fun and loving person she was! 🙏❤️
