“ To The Family of Mrs Glisson, I work at Covenant Woods and had the pleasure of meeting and speaking with Mrs Glisson; such a ray of sunshine, her love for GunSmoke ,milkshakes -and her smile is what I will always remember.

“ Dear Chris and family,
We share in your grief. Anita was such a special lady. We're glad we got the opportunity to get to know her over the years beginning with our Thanksgiving trip to Denver. She was always a pleasure to be with. We greatly enjoyed her quick wit. How lucky you are to have had her in your lives for so many years. May all the wonderful memories you have of her help to carry you through this difficult time.

“ Dear Ones, I live at Covenant Woods and need to tell each one of you what a privilege it was to have dinner or a meal, or a piece of pumpkin pie with your mother and grandmother. She was truly a lady to be admired and respected in every way. Oh how I missed her when the pandemic set in upon us. I missed your visits as well. Thank you for sharing her with us for these few years. I will always remember her as well as how much she loved each of you. My deepest condolences and prayers to you. Sincerely, Jean Sommerville
