Mrs. Hockaday was always so sweet, kind and supportive of me. I looked at her as one of my many "mothers" growing up in Providence Forge. The world is a kinder place because of her. She will be greatly missed.

My family and I was so sorry to hear about Ann's passing. She was one of the most wonderful lady's that I have ever had in my life. She always had kind words and never had a negative comment about anything. She left behind her 5 children that she could only be proud of with two girls that are as sweet and kind as their Mother. As the saying goes the apple doesn't fall far from the tree. That is Betty Lou and Sue Ann.

My prayers are with all of you during this hard time but think of all those good memories and LOVE that was giving to you.

GOD BLESS ALL OF YOU.
