“ Rest in Paradise Aunt Niecy! You will be missed. Absent from the body but present with the Lord, no more pain or suffering God has you now.  
Heavenly Father, my prayer is that you heal and strengthen the family during this very difficult time. I pray for peace and understanding that on those lonely days and dark nights that Lord you wrap your loving arms around them for comfort. Keep them uplifted in prayer and let them know that everything will be alright. I pray that they focus on all of the good memories and her beautiful smile and know that she would of wanted them to be a peace with her transition. Love ya family!

“ Hey Cousin. I find it hard to believe you are not here with us anymore. We grew up together making mud pies (lol) and running around the house. Time has passed and we saw each other less than I wanted to. You will be missed but never missed in our hearts. To Ike and family, we share your loss knowing that she is in a better place. It may not bring solace at this moment but we will always have memories of her. Her smile and her laughter. Blessed to you and your family. We love you Niecey.
