“ Momma Ann was a strong, amazing woman...
For the short time I knew her, I loved her just
like a second mom. My heart aches for daddy,
Tia, Celeste, Skip, and the rest of the family.
Momma is our angel now, and will watch over
us from here on out. I love you all and am here always. RIP Momma

“ *I would like to send my condolences out to Tia and her family .I never met your mom but if she was anything like you. I would love her just as much as I love you. Thank you for being there for me when Kal left..I hope I can be there for you as much as you were for me. Your family is in my prayers. Just know that she's in heaven now & is free from pain. Saving all of you a seat beside her when it's your time to join her..*

“ This saddens me to no end. Ann was a very special woman. She has known my family for a very long time, and we worked together in the cafeteria at New Kent. After losing not only my mother, but brother to Cancer, she is the one who told me to remember the good times with them. To not remember the sick moments. She always had time for me, and I am so sorry that I hadn't been to see her since she came home. I called but she wasn't up for talking. Bobby, and kids...I loved her! I have so many great memories and I hope that you will always remember the giving person that she was. Her family and dogs were her world. I leave you with this poem...My thoughts and prayers are with all of you. I am so very sorry!

"Because You Remember Me"

*I know I am still with you
in your prayers, your thoughts, your heart
And though you cannot see me,
I will always be a part
of life's sweet celebrations
in those times when you reflect
on how, though things are different,
through our love, we still connect.
We'll see each other someday
when our spirits all are free,
until then, I am with you
because you remember me.
Love, Laura*

“ I am so sorry for your family's loss. I remember Ann as a fireball at quite a few cookouts and horseshoe tournaments! she was such a hoot but I also remember her being one of the "meanest" bus drivers when I was a lot younger too..LOL...May all your memories bring you peace, laughter, and joy. Take care of each other. You are all in my prayers.

“ I am so sorry for the lost of Ms. Weagley. She was a tried and true person to do her job, faithful to the job, to the children, to the cafeteria position and to the truth.I was honored to work with her through the school system. May God be with each of you during this difficult time and your great lost.
