“ *Anne was and is the most incredible girl in this world. I have known her for almost 28 years and she was the same loving, genuine friend always. I miss her presence in this world, but she is a living witness to the grace of God. She lived out God's will and was a perfect example of a true disciple of Jesus. Our hearts break because we miss her so much though. Its hard to understand why she has left us so early, and what purpose there is in this. We worked at the florist together for many years. I always looked forward to sharing my day with her.. Such a happy, beautiful compassionate girl. She always knew the right thing to say, and made friends wherever she went. She was the glue that held us together at work and in our home lives. Anne, I miss you and still can't believe you're gone. Life doesn't seem right without you..but I know I will see you in Heaven, when we see our Father together and rejoice. I love you Anne...Teresa*
