“ *J.W - I am so sorry for your loss. I know how close you were to your mom and how dedicated you have been to her. I remember when she would cater the Christmas parties that my dad and the other foreman on his shift at the mill would have. All I heard about was how delicious the food always was (but of course there were never any leftovers to share with us kids). May her soul rest in peace and may God wrap his loving arms around you during this difficult time.*
