“ Carolyn and Lois, I am so sorry to hear about the passing of Antonio. Although I did not know him well, It was always a pleasure to speak and care for him at the hospital through the years. He was always friendly and cheerful even while ill. I am certain that he loved you very much and that his legacy will pass on through the generations. He was certainly very fortunate to be a part of your wonderful family. I thank you and the family for your superb hospitality and friendship through the years. The memories of the good times will always be with me. May God Bless you and the family with good health and peace always. Love, Frank. (FTJ266@msn.com).

“ We will miss seeing Tony at our favorite place for dinner. He always came by our table to say hello and chat. It was always something we looked forward to during our visits. May he rest in peace.

“ *My husband and I were stunned and deeply saddened to learn of Toni's passing when we ate dinner at Walkers Damn Grill on Saturday evening. Toni was our waiter and our friend. We always enjoyed talking to him, especially in Italian, and he always made us smile. We are going to miss him, and dinners there won't ever be the same. Our thoughts and prayers go out to the Corazzi family. You have our deepest sympathy. Hold on to your memories and let them carry you through your grief. We are very sorry for your loss. Rest in peace Toni.*
