“ April I hope you have found the peace you were searching for. You were always so full of life and I will never forget your beautiful smile. Praying for Annie, Alycia, Johnny, Alice and the rest of the family, especially your beautiful Katelyn. Love you cousin <3

She is gone

You can shed tears that she is gone

Or you can smile because she has lived

You can close your eyes and pray that she will come back

Or you can open your eyes and see all that she has left

Your heart can be empty because you can't see her

Or you can be full of the love that you shared

You can turn your back on tomorrow and live yesterday

Or you can be happy for tomorrow because of yesterday

You can remember her and only that she is gone

Or you can cherish her memory and let it live on

You can cry and close your mind, be empty and turn your back

Or you can do what she would want: smile, open your eyes, love and go on.

“ April was my beautiful, joyous cousin who always had a huge smile on her face and was filled with some much love. I am so sadden to see her go so soon but I take comfort that she is in a better place and my daddy greeted her with open arms and will take good care of her in heaven. I will miss you so much "cuz" and will never forget you. Your spirit will live on through Katelyn and she will be a reminder of you everyday. Love you so much my angel
