“ Melanie & Bryan, I'm so sorry that I wasn't able to attend the services this past weekend. I have thought of you and your whole family as well as sweet little Aubrey often. I know I can't do anything to bring her back, but I think of her every time I go to work and take care of another sweet child, and I think she's there helping me. Hopefully this brings some sort of comfort. Thank you for allowing me into your world. Sending hugs your way.
