“ I was fortunate to visit Mrs. Milby during high school years when Jim would take me to their beautiful farm. She always made me feel welcomed and cared for. The meals she cooked were delicious. I have many fond memories of her and Mr. Milby. All my sympathy to the family.

“ I love my Milby family in Virginia. James and Audrey were some of the greatest people I had the privilege to know. She cooked me some of the best southern cooking. I love you all and sorry I was not present for the memorial.

“ *Ms. Milby was such an inspirational woman in our lives. We first met her at Beulah Church where she sang like an angel, cooked foods for the church, and was always involved in everything there and in the community. She was feisty and always had a smile on her face and was always there to help anyone she could. We can't say enough good things about this wonderful lady, except she blessed us beyond measure and we were so glad to know her and share in her life. Larkin & Brenda Hundley*
