“ Audrey, I'll never forget the wonderful days we spent working together at Marcus'. We laughed, ate your favorite chips and you always made me iced tea when I needed it the most. You, Louise, Mandi and I made quite a team. I loved those times together, knowing there could never be a time like that with no other. I will miss you, Audie, and know I love You to pieces...peace finally has come for you.. enjoy Bob and Jason once again in His Kingdom as God makes all things glorious!
