“ To my Aunt Barbara. My life will NEVER be the same without you. There were never any words left unspoken between us and we both know how much we loved eachother. I could not have been more blessed to have you as my aunt and wish with all of my heart that you had been my mother. You were always my rock and it is going to be tough without you. I have always and will always love you My Aunt Barbara. Love from Texas. Karen Lynch Urrutia.
