“ I don't think it'll ever truly hit me that you're gone. I loved you more than life itself, Grandma. You were one of the best people in my life, and you always will be. Thank you for being here for me. Things will never be the same without you... But that's okay. I know you're looking out for me no matter what. I love you so much.

“ *Barbara was the best co-worker I have ever worked with in our dental office. She was so dedicated to her work. She was kind to everyone and had such a beautiful smile that would put your mind at ease. God bless Jim, Amy, Debbie, and family during this time and know she is resting in peace now. I feel so fortunate to have known her.*

*Cahey, The large family of Ten McClouds growing up at the same time in the same Hillbilly Hill family home was anchored by our late Mom and Dad. The loss of Billy, Sissie and now the passing of our beloved Barbara Ann leaves the remaining five if our family deeply saddened beyond words! God will allow resting in peace for all of our family who have passed and the remaining family will always treasure memories of our large family that will never be forgotten! Bobby was a wonderful little sister to me and I have only love in remembering her.*
