So sorry for your loss-Barbara was one of the most kind and thoughtful ladies I have been honored to have been a "temporary family-like" member with several years ago when Tim and Austin shared our home with myself, my daughter Emily and my son Ryan. She visited often and I had the opportunity to spend a great deal of time with her. We had many long conversations and she was always easy to talk to about anything and passed along some great "words of wisdom" that I will always remember. Must remember also what a fantastic cook she was! She brought by many meals and desserts and I am also lucky to have had her pass along some of her delicious recipes to me.

I have many fond memories of times spent together with Barbara which included her family members and my family members all together. She will be greatly missed! To the family, friends and loved ones of this special lady...Sincerest condolences are extended from myself, Emily and Ryan. You all are in our thoughts and prayers.

Please feel free to contact me if there is anything at all that me and/or my family can do for any of you to possibly help you get through this time of your grieving and loss. We are here for any and all of you at any time...in you and yours...time of need. God Bless! ~Debbie, Emily, Ryan / Bobbie&Jim

I worked with Barbara for many years and she was as very courageous and caring woman. She was one of the hardest working people I know. Her children & grandchildren were always her motivation. My thoughts and prayers are with you all.
