Les, Kat, Frank and Ben, I am so sorry for the loss of Barbara. She has been my neighbor and friend for around 27 years. I will miss her too. I used to visit her and Les and we would have wonderful warm conversations. She was always loving and kind to me. I will miss her dearly. ❤️

*Barbara, Les, and I have been friends since she was at Baker Elementary, traveling together and sharing many wonderful memories. When they came to Richmond, they stayed with me. We were like family. I've missed our travels and will continue to miss Barbara. She is no longer suffering. Love you,
Jenny*

Sending my heartfelt condolences and love to Les, Kathy, and family. Barbara and I were good friends and worked together for about 25 years, first at Baker and then at Donahoe Elementary and lived in the same neighborhood for about 10 years. I have always had the deepest admiration and respect for Barbara and in the way she put her heart into each thing that she did. I haven't talked to Barbara for a long while, but I have such lovely memories of her that I will cherish forever. God bless you all. Gayle

“ I am really, really am going to miss my best friend, my Love, and wonderful wife. For almost 63 years we shared the good times and the hard times. A large part of me will go with her and I look forward to seeing her again in the place Jesus went to prepare for us. Till we meet again I Love You Barbara.

Barbara Tyree was such a special teacher. Her legacy will live on in the many lives she touched & inspired through education. Our daughter, Rebecca, for one, has been a teacher, an administrator and Assistant Superintendent. And I am sure there are many other former students who are professional educators because of Mrs. Tyree's influence. RIP Barbara. You did good.
