I have often wondered where Buzzy was and what he was doing. I haven't seen him since high school. I can remember very well the great times we had in the high school band at practice, parades and football games. I also remember Buzzy and his Dad visiting my family's restaurant downtown and Mr. Vincent telling us to call Number 1 if we needed anything. His phone number was 1. My thoughts and prayers are with the entire Vincent family.
