His Peaceful Grave

Our brother lives with us in memory

Before our eyes he grew weaker every day

Doing all we could to save him

Until God took him away
Never shall his memory fade
Our sweetest love lingers
Forever round his peaceful grave

We were saddened and shocked to hear that Bennie had passed. We will always remember his love of fashion, decorating, cooking and dancing. However, his hilarious sense of humor was infectious. We shared many good times together, especially the shopping trips. He knew how to shop, what he wanted and everything he bought had to be "the biggest" in the store. Even when his health began to fail, he never lost faith and he still maintained his sense of humor. Not only was he funny, he had a heart of gold and much compassion for his family and friends. Family, may you find comfort and peace in all the special memories shared with Bennie. Bennie, rest in peace, you ran a good race. From our family to your family, Kathy & Geri and the entire Jones-Womack Family
