“ My heart goes out to the family for your loss. Aunt Bernice was always such a loving and kind person. I have so many fond memories of her while growing up. It is such a bittersweet loss, as I know she will be greatly missed, but she is also free from all pain and suffering here on earth. May she rest in heavenly peace ❤️🙏

“ Robert and Denise - we did not know your mom, but we know you, and how much you loved her. We also know all too well the grief that will come with the loss of your dearest mother, and the faith you hold that will see you through. Our words can't bring comfort, and it is ok to grieve - for God knows your pain and gave you tears for such a time. He also promised that if you call on Him, He will give you a way through. Our heart felt hugs, love, and prayers for you and your family during this bittersweet time of both sadness and celebration. We are here if you need us. Love - Pat and Cathy Pope.
