“ *I was so sorry to here of Bernice's passing. She was a wonderful, sweet lady. I always enjoyed talking with her. She had such a great sense of humor. I loved to sit and listen to her stories. She was strong and she always tried not to let her failing health and eyes get her down. I am going to miss you Bernice. Rest in peace, until Jesus wakes you up.*

“ As my cousin and a favorite in our family, Bernice was like an aunt and a mother to so many of us. We shared many beautiful times together and memories that will never be forgotten. She was treasured by all who knew her and was a caring, Christian woman who was also very special to her church family. As it was just the two of us we always had plenty of food left over and were always sharing it with her and now that she's passed, we can't imagine not taking it to her and talking about all the relatives she knew and could tell us things we didn't know. We can't tell you about the many things we learned from her about the Lord and the contents of the Bible. We were so blessed by her presence in our lives and will see her in Heaven where we know she'll reside.

“ Aunt Bernice you will be missed by so many. You always showed your love to me in so many ways. I would love to say give my Nanny a big fat kiss & hug from me but us SDA believe when you die that's it until HE comes back for us. I know you will be with my Nanny & Grung-Grung when that day gets here. I love you!
