“ Miss Bertha was one of the sweetest ladies I have ever known. She always had a smile, hug and a word of encouragement for everyone. She had a way of making me, and many others I'm sure, feel so loved. Whenever I think of her it makes me smile and feel all warm inside. She was a very special lady and I know all of you will miss her so much. But thanks be to GOD that she left so many many wonderful memories behind for everyone to pull on. Her love for all of you will always be right there within you. So just smile when you think of her, I do.
Seems like I said "smile" & "special" a lot but that describes what Ms. Bertha was to me.
With much love, Pinky

“ May God bless all family members of Bertha. Seeing her beautiful picture made me so lonely for the days my family and I spent in Virginia. I cherish the memories of our crowding into Grandma's living room to sing along with Uncle Andy and Tom playing guitars. They are together again able to see the one we sang about. How wonderful that will be when we are reunited and singing again this time at His feet! Much love to everyone.

“ I will miss you dearly, you were like a grandma to me. You were so sweet, kind and loving. I will never forget the talks we would have on Sunday evenings. You made a huge impact on my life and you will always remain in my heart. I know you heard those words well done thy good and faithful servant enter into the joys of the Lord. I know I will see you again. My thoughts and prayers go out to the whole family. I love you all and may God give you the peace that passes all understanding.

“ May God bless this family with all his might, please let them get thru this storm he has weathered. Much love goes out to this family to each and everyone of you all. Sorry for your losses so close together, but the Lord will prevail. Please pray for each other and tell each other you love one another. We may see each other one minute and the next we are gone. Never be ashamed to hug or kiss the one you love, for it is not worth going to bed upset at that person, what if one of you don't rise? Stop using so much anger and start using more love so that we know we are loved everyday and when we go, it will be at peace not turmoil. GOD BLESS EACH AND EVERYONE OF YOU!!

“ Miss Bertha lived on the same driveway as I did. I moved about a year ago. She would always speak to me, honk when she drove by and when I would walk my little dog past her house she would always come out and talk with me. We discovered through these talks that she had worked at the same hat factory in Richmond that I did. It was my first job.

Since I have moved I would run into her & Miss Francis at the local grocery store and we would all catch up right there! What a sweet wonderful lady I am blessed to have known her. My thoughts and prayers
