*How is it that I never saw your wings when you were here with me? When you closed your eyes and soared to the Heavens I could hear the faint flutter of your wings as you left. Your body no longer on this side Your spirit here eternally I see your halo shine. I close my eyes and see the multi-colored wings surround me in my saddest moments and my happiest times. Sister my angel God has given you your assignment always my sister forever my angel. You fly into my dreams and when I am asleep I feel your wings brush against my face wiping away the tears I shed since I can no longer hold you in my arms but in my heart. You earned those wings dear sister and you will always be my angel eternal.*

“*Julia Catlett Wigginton and Joyce Catlett Hannen are Betty Anne’s sisters. We will miss her very much. Betty was a kind and generous sister. She loved her family and her pets. I have very fond memories of growing up together. I send blessings to her son Andy who took on the care of Betty for the last four years. Andy is an angel here on earth. I pray that Betty is in heaven with her mother Betty , her father Julian, her husband Randy, and her son Matthew. I pray that Betty is now at peace. I know her reception in heaven was glorious and happy. I love you and miss you Betty.*
