“ Meredith and family. We are so sorry for your loss. My mom, Eva Sue Gilmore and my grandmother, Goldie Mae's Wright have always thought so highly of your family. You and Betty have always been so kind. Granny was so happy to see you when you visited her at the retirement home. Your smiles and hugs are the best! My husband, Greg lost his dad a few months ago. George had dementia for quite a while. Memory afflictions are so very difficult. We will keep you close in our hearts and pray God's loving arms continue to provide grace and peace.

“ Dear Emmett and family, I am sorry to learn of Betty's passing. The times Diana, Libby, Al, and I shared with you two at Red Hill were some of the happiest times of my life and are among my most treasured memories. The photo I took of you two sitting on the steps of Bethany Presbyterian with my three dear friends and traveling companions is one of my most treasured ones. Thank you for providing us such a welcoming home-away-from-home for so many years. We will never forget you. Know that you are on my mind, in my heart, and in my prayers.
