“ My thoughts and prayers are with you at this time in the loss of your dear you mother. I am glad that I got to meet her and experience how wonderful she was. Of course, Kelley and Jason were best "Buds" in their heyday of being "cool" dudes. Hold on to the good times and memories for that is good to do.

Sincerely, Richard Kelley Parkes, Williamsburg, va.

“ Dear Jane, Jack and families,
I am so sorry to hear of your Mother's passing.
I remember when we were in NKHS and your Mother would attend many of the events.
She was always an attractive lady and so sweet. I know she will be missed by many.
Cherish all of your wonderful memories until you are together again.
With heartfelt sympathy,
Gloria Couch

“ Thinking and praying for you all. I was very blessed to be Betty's hair dresser for a while and as we all know being in the profession sometimes doing another hair dresser can be tricky!! It didn't matter what was going on, Betty always cared that her hair was looking good. She was the sweetest and caring ladies I've ever had the pleasure of meeting. She and I talk often about the world these days and how she was ready to meet her Lord Jesus Christ. I know she is rejoicing with others. Betty please save me a chair beside you!❤️
See you again when the Lord calls my name!! Love you
