“Katie truly changed my life and brought me such joy through my golden retrievers Van (litter mate of Bells) and George Bailey (litter mate of Tober). And how she loved her girls. My deepest sympathy to her goldens (may they find loving homes) and to her many friends.

“I was very sad to hear of Bettye's passing. She was my neighbor and classmate, my friend for 69 years. We shared best friend joys and sorrows and many wonderful memories. She was very talented in her music,teaching,and crafts. Her animals were the joys of her life,especially her dogs. The 1956 Class of RHS will always remember her.

*Many thanks to Ann and Andy Bradshaw, Barbara and Connie for your kindness and assistance to her. I have lost a dear friend.*

“I'm very sorry to hear of Katie's passing. What a talented, energetic, compassionate lady. She shared her experiences with children and was very understanding of all their needs. Thinking of her always has...and will....bring a smile.

“ I was very sad to hear of Kate's passing. I had the pleasure of meeting Kate when I worked a Norge Elementary school. We shared many interesting conversations, and she shared many of her interests and artistic talents with the students and teachers. We also shared the love of dogs, and I would run into her around town now and then. She was a lovely woman, and has touched many lives. God bless you, Kate, and thinking of your family during this difficult time.

“ I began working at Eastern State Hospital back in 1987 and Kate will always be a special person to me! She was just so kind and loved her patients. I remember her bringing in her dogs as therapy and how she always had her hands in dirt! She was a very special lady and will be missed. - Carol Leggett

“ I am so sorry to hear of Katie's passing. Katie was my substitute teacher many times at Norge Elementary School. She was always willing to sub for me even at the last minute and I could always depend on the children having a music lesson instead of just having a "baby-sitter". Katie will be missed but I will always smile when I think of her.

ME

“ My heart is heavy with sadness to read of Katie's passing; she was a lovely person with such a caring and cheerful heart. She always had a smile for everyone...one of God's "encouragers."

*During my years of being in the church choir @ Tabernacle, I loved having her as the Director ~ practices were as enjoyable as the actual singing in worship!*

*Katie, may you rest peacefully in the everlasting arms of Jesus as you await being raised up @ the last day. "Well done, thy good and faithful servant."*
