“ Brooke & Alexis,
We are so sorry to learn of your mom's passing. We know that she fought really hard to be with you girls (and her sweet granddaughter, the youngest love of her life!), longer. Such love & strength to push on & push through for as long as her body would allow. We will always remember and be grateful for her enthusiasm and encouragement of all of the teammates in basketball and softball, over the years.
Prayers for you all, and for your grandfather...
Most sincerely,
The Liberato Family

I totally enjoyed Beverly's company and great sense of humor at work(Salon 109).I just got news that She had passed away this morning from another co-worker at Salon 109 and I was so sorry to hear it but I'm glad She is not suffering thru the hard fight anymore.I just looked at all the pictures y'all posted of times together in better days.I know She cherished Her family so much.My heart goes out to y'all and prayers for healing for all of You.Now She'll watch over from heaven until You meet again.

“ *I am so sorry to hear of "Miss Beverly's" passing! She cut and styled my hair for years, and took loving care of my three daughters as well. I don't think I have ever had a decent haircut since she left the Williamsburg salon. In addition to being talented, she was a hoot. We often laughed our way through appointments, comparing notes on daughters' antics. Rest in peace, Beverly. Rita Murphy*
