I will always remember Beverly on the day that she came to work dressed as a Bag Lady. It was Halloween and all of the claim department employees dressed for the occasion. Beverly always had a smile on her face. She always lived to the fullest.....She was a true inspiration.

“ Cheryl & Brian - I am so sorry for your loss. Aunt Beverly was one of my favorite Aunts and I have many memories from when her and Uncle Bubba were married. She was a beautiful and special woman whom I have thought about a lot thru the years. I am sure that she is at peace now and would want only the best for yall going forward.

Love and Light to both of you,

Beverly and i were the best softball players in our class at Highland Park elem.school. On Saturday we would go to the Brookland theater to the 15 cent movie and then get a homemade ice cream cone at Woodys. Found her 68 years later when her brother died. May she rest in peace. Nancy Meyer Sparks
