“ Bobby was a great neighbor who willingly would give of his time and help you in a split second if he saw you in need. He was down to earth and recognized what was important in this life--- the Good Lord, his family, his friends, love of the land and nature. It was an honor and privilege to have known Bobby. Our hearts and prayers go out to his family and friends---May his legacy live on through you all.

*With heartfelt sympathy and kindest regards,
Bruce Johnson and family*

Thank you for those kind words Bruce. I don't think I ever got to meet you, but I did hear Daddy speak highly of you plenty of times. Thank you again.

“ Bobby gave me a hard time about cupcakes I made him for his birthday one year because of the tooth picks I had in them to keep the foil from sticking. Since then everytime I make cupcakes I think of him. We will always remember you and love you, and be thankful we were lucky enough to know you.
