“ I will miss you! Always like a brother to Kenny. You are forever a part of him and us. I love how we became fast friends. How you always made me laugh, talking more smack than anyone I knew. You loved your family. You weren't afraid to stand up for what you believed was right. So fiercely loyal to your friends. I could go on and on. I'll see you on the other side ❤️ I'll bring Uno. Love ya!

“ Loved coming in and seeing Brandon's smiling face. He always had a positive attitude, which is something I really admired about him. That attitude was contagious and he was able to spread his light to everyone around him. He will be missed.

“ *Poem of Life*

*Life is but a stopping place,
A pause in what's to be,
A resting place along the road,
to sweet eternity.
We all have different journeys,
Different paths along the way,
We all were meant to learn some things,
but never meant to stay...
Our destination is a place,
Far greater than we know.
For some the journey's quicker,
For some the journey's slow.
And when the journey finally ends,
We'll claim a great reward,
And find an everlasting peace,
Together with the Lord.*
