“ *Gayle, may you be at peace after your long heroic hard struggles. You know you are so much loved because of the loving family you come from. You, along with your amazing family, welcomed me in, many years ago, and while we hadn't seen each other in years, I still think fondly of you, your kids and family and the picnics and Christmases and such that we shared. You will be missed and you have left great memories of you and that smile and those 'smiling' eyes for those that you have left behind, much too soon. ((HUGS)) - Bill Simons*

“ I am so sorry about the passing of Brenda. My prayers are with her family. I worked with her for ovr 20 years at Reynolds Metals Co. She was one of the most congenial and helpful individuals in the Extrusion Division. I know she will be sorely missed. I did not realize she had settled in New Kent County, my origin.
