

## Brigitte Anni Klug

December 3, 1946 - March 31, 2023

Brigitte Anni Klug, 76 of Mascot, VA. passed away peacefully surrounded by her adoring family on March 31, 2023. She was the daughter of the late Carl and Ester Reichel.

Brigitte was an avid New York Yankees fan and rarely missed a game. She was a “competitive” Rummy player who played to WIN! Family fun and outdoor barbecues were her favorite. She loved the outdoors and could often be found sitting outside on her deck soaking up the sun with her loyal fur baby, Shadow.

She was preceded in death by her infant son, Markus Klug; and her two brothers, Bernd and Karlheinz.

Brigitte is survived by her son Glenn Klug and his wife Jennifer who loved her like a mother; her cherished daughter Kerstin Klug and her dedicated fiancé Neil Gray; one brother and best friend Ewald (Sandra); She was a doting Oma to her 6 grandchildren, Josh, Azaria, Carleigh, Gavin, Markus and Mario. Brigitte is also survived by a special family friend, Mike Redford who was always there for her when she needed him, for which the family is eternally grateful. She will be missed dearly and thought of often by those who loved her.

“ My dear friend, Brigitte, you and I have so many fond memories from exercising together to going out to eat and so many more. My heart broke as I never made it home in time to see you. You were a very special mother and grandmother who was always there when needed. We always joked with one another about how stubborn as Germans we were. I will miss you dearly. May you rest in peace and will see you again my dearest friend. Love you so much💔😞❤❤

“ My beloved sister, I have lost within the last 3 years and 3 months 2 brothers and you. It is painful to be the youngest to see how one goes after the other. I thank God that we have seen each other again in October 2022. It had been a wonderful week. Thanks to Glenn, Kerstin and their families for the loving care in the last weeks. And yes: Brigitte was a lovely grandmother who cared for her grandchildren and was there for them whenever she was needed. I and all of us will miss you. R.I.P. I'll love you for ever

“ Mom, thank you for raising me to be the man I am today. You were more than a mom, you were my angel when I needed protecting, my shoulder to cry on when I needed comforting, and the laughs we had I will miss. Rest peacefully now and I will see you again one day. Till then, know I love you and miss you
