“ Bubbie, the words just don't say enough. You were a guy with a huge heart.
All those times of helping you with your questions. All the times of you helping at Moms whenever I asked. All those recipes that were tried and all those still needing to be tried. Need to make one more Samoa Pie! I will make sure to share them with Emily.
I will miss all the times together with Walter. Our conversations. All the emoji finding and learning how to use GIF. And the many times of you and Walter with the lawnmowers for racing. Always fun.
To think our last message “Missed seeing you this trip...Merry Christmas and I'll see you next time you come down..I should be back Jan 13th weekend...ok we'll make it a date lol”. Well I guess our next time will be when I join you and all our loved ones in heaven..I know your dad, Jesse and my mom and all the others were there waiting for you.
Rest easy Bubbie til we meet again. 💙🙏💙🙏
To Emily, Tracy, Stacy and all his family, my thoughts and prayers are with you. I'm trying hard to get there for services. Loved that guy. 🙏

*Dearest Tracy and family, I am so very sorry for your loss. My heart
and prayers go out to each of you. I have not seen Bubbie in a very
long time but I remember him being such a nice young man. I know he
will be missed very much. Sorry I could not get off work yesterday and
attend the service for Bubbie. I will pray for your peace of mind and for
the comfort of your heart. He will always be with you in your wonderful
memories of him.*

With much love, Pinky
