Alas, another young life gone from us too soon. Although I did not have the pleasure of knowing you for a long time, you were a very funny, polite and sweet young man. I wish you were still here, so that I could have seen you become an amazing father and terrific older man. I hope you have found peace, and everyone will always remember the sweet young boy who made us all laugh.

“ *There isn't a dull memory I have of Bryan, we always had the most interesting elaborate conversations about everything under the sun for hours about everything and nothing at the same time laughing questioning learning together. He constantly astounded me. Im so sorry, he was beautiful inside and out.*

“ I will love you forever. We went through hell and high waters, but we had an amazing son who will be hearing all of the stories of how much you loved him and all of the good times we had together as a family. 5 years strong, you were always by my side. And I believe that even now, you always will be.
