

Carr L. "Buddy" Harris

November 26, 1955 - February 1, 2026

Carr L. "Buddy" Harris, 70 years old, of King William County, passed away on February 1, 2026. He is survived by his loving spouse, Diane; children, Brandon and Samuel (Athena); brothers, Richard (Becky) and Matthew (Julie); sister, Kathy (Karen); nieces and nephew, Bonnie, Nikki (Luke), Kelly, Alexandria and Eddie; sisters-in-law, Catherine and Cheryl; and great nephews, Miles and Van; as well as a host of other relatives and friends who will miss him dearly.

Buddy spent his early childhood years in Windsor, Virginia and at his grandparents' family farm, he always cherished this time in his life. He was a native of Franklin, Virginia and a graduate of Franklin High School in 1974. He enlisted in the Army at an early age and attained the rank of Staff Sergeant with the 11th Cavalry in Germany (Engineering). After his military service, he enlisted in the Army Reserve and over the years worked as a Draftsman, Surveyor and a Licensed Electrician.

Buddy was an avid reader whose hobbies included raising and breeding game birds, rock hunting and fishing.

Above all he was a loving and selfless husband, father, brother and friend. Buddy's family always came first; they were his greatest joy. He mastered any field he chose to study. People speak of "good men", well he was one of them.

His knowledge, kindness, moral convictions and unfailing love molded the man we knew and loved. Although our hearts are broken that he has left this earth, we know we will be together again. "Don't make God's ears bleed from talking Buddy!"

The family will receive friends from 1:30-2:30 PM, Saturday, February 14th at McKendree Methodist Church, 4347 Manfield Rd, Manquin, VA 23106 with the funeral service beginning at 2:30 PM. Burial will immediately follow in the church cemetery.

In lieu of flowers, donations can be made to St. Jude's Children's Hospital in his memory.

“ *This stranger came into my life from our poultry web pages. I was able to meet Buddy and we became good friends. Not only that, he knew my daughter loved collecting mineral rocks and was able to increase her interest in them. Buddy, I thank you for your machete that you gave me. I will always cherish the chance of meeting you and knowing you.*

“ *I'll never forget the many conversations we had about so many things. Especially how God had changed ours lives. He was a good friend I had a lot of respect for his knowledge in the Electrical field. He was always there for whoever needed him. I'm going to miss you my friend until we meet again. God Bless.*
