“ May God Be With You and Your Family  
Death is but a stepping stone.  
To that eternal life  
In which there's no unhappiness  
No suffering or strife  
There is so little I can do to help  
you in your sorrow.  
There is so little I can say to help  
you through tomorrow.  
But may these few words comfort  
you.

*Gene and family, our heartfelt sympathy is with you in the loss of your son. In Christ the heart of the Father is revealed and higher comfort can only be attained thru him. We're sure you being his Dad was a wonderful love that only Father's can give. Hold on to the faith that we know will get you thru this.*
